

# NEWSLETTER SPRING

# 2023

Oak Park - Now Open!

## Expanding in California and Illinois

We're thrilled to announce branch updates in our footprint. Recently, we opened a new branch in Sacramento and moved our Modesto branch to a new location on Crow's Landing Road.

In Illinois, we're excited to welcome members from our Maywood branch to their new location in nearby historic Oak Park. Stop by and see us today!

# June is National Homeownership Month!

One of the best ways you can build lasting wealth, financial security and overall wellbeing for yourself and future generations is to own your home. That's why we want to make homeownership more accessible to all. The Zavaleta family in Washington and others like them are proof-positive that homeownership is more possible than you might think.

The Zavaleta family began working with Self-Help loan officer Adriana Clara in 2021 to build their credit and savings. They closed on their first home in November 2022. To learn more about our home lending products, call us at 833-438-0304 or visit <https://www.self-helpfcu.org/personal/loans/home-loans>

# Don't leave money on the table this spring – check out our term certificates!

Our certificate rates are better than ever. Term certificates are a great way to safely grow your money and access it when you need it without large penalties. Consider checking out our certificates and make your money work for you. Contact your branch today to find out more.

## How We Keep Your Deposits Safe

All deposits in Self-Help Federal Credit Union are automatically insured by the National Credit Union Administration (NCUA) for up to \$250,000 so that you'd get all of your money back in the unlikely event of a collapse. Since the creation of NCUA in 1970, credit union members have never lost a single penny of insured deposits.

Our financial strength means we always have cash on hand so that you can withdraw your money when you need it. We work hard to maintain a high net worth and high rate of liquidity so that even in periods of high demand you can rest assured that your funds will be there. Learn more at [www.self-helpfcu.org/deposits](http://www.self-helpfcu.org/deposits)

# Holiday Branch Closures

The credit union will observe the following holidays:

- Memorial Day: May 29
- Juneteenth: June 19

## 2022 Annual Report Coming Out Soon

We're looking forward to sharing the results we've achieved together in our 2022 Annual Report soon. Here's a preview of the work that your deposits have done to strengthen local economies, beautify communities, and make fair and affordable lending more accessible over our 40+ year history. See our 2022 Annual Report for more information and stories (get the link at [Self-Helpfcu.org](https://Self-Helpfcu.org)).

## Don't fall for a money-draining scam!

Scammers are always looking for ways to steal your identity or trick you into sending them money. Watch out for messages on social media, emails, and even your phone about things like cryptocurrency, miracle health products or unexpected financial transactions. Scan the QR to learn how you can protect yourself.

Questions? Call Member Services at  
(800) 731-4477 or visit your local branch.
