Updated Business Hours:

Effective July 1, 2022 we are changing our business hours to better serve our communities. Premier Community CU's new hours can be found on the back of this newsletter, our google business pages, Yelp Pages, and our Facebook page.

Courtesy Pay Discontinued:

We believe our products and services should be designed to benefit you, our members. Research has shown that courtesy pay programs too often harm the very people they were meant to help by encouraging repeated overdrafts at very high costs. This is not consistent with our mission. As we align our products and services with our merged partner, Self-Help Federal Credit Union, we have taken the decision to discontinue the current Courtesy Pay program we offer at Premier Community Credit Union, effective August 1, 2022.
