Dear Valued Member,

We are pleased to confirm that Premier Community has received your authorization to pay overdrafts on ATM and everyday debit card transactions, and to charge an overdraft fee of \$30 to your account for each ATM or everyday debit card transaction that creates an overdraft.

This valuable service may help save you the embarrassment of declined debit card transactions, and ensure that you have access to cash in the event of an emergency.

Please note that you can opt out of your authorization for Premier Community to pay these overdrafts at any time. Simply call 209-235-1100, visit any of our Service Centers, or mail a Courtesy Pay Opt-Out form to 3315 W. Benjamin Holt Drive, Stockton, CA 95219. Your Opt-Out request must include your name and account number so we can properly identify your account.

Sincerely,

Member Services Department
209-235-1100

P.S. Premier Community has several other options for overdraft protection, such as transfers from a savings or money market account, or from a Signature line of credit—ask a representative for details if you're interested in learning more!
